MAGNUM ANNIVERSARY PROGRAM

We partnered with our clothing store provider, Rambow, in June 2020 to help recognize and celebrate all employees years of service milestones. For all one year and five-year increments after, money will be added to the employee's Rambow account to spend on Magnum apparel.

If any employee has not already set up their account, Rambow will create one for them and let them know what their login credentials are on their anniversary. They have 90 days to spend their account credit. If someone has forgotten their username and/or password, please email marketing@magnumlog.com to be reset. For more information regarding credit amounts, please ask your Manager.

INTERNATIONAL ROADCHECK

The 2022 International Roadcheck will be happening on May 17-19, with its focus on wheel ends. Wheel ends include the wheels, rims, hubs and tires on a commercial motor vehicle. Violations involving those components historically account for about one quarter of the vehicle out-of-service violations discovered during International Roadcheck, and past International Roadcheck data routinely found wheel end components in the top 10 of vehicle violations.

During inspection of wheel ends on a commercial motor vehicle, inspectors will be checking multiple systems to ensure safety and system protocols. To see all points of inspection, scan the QR code below!
