

BIG BLUE NEWS

WAREHOUSE

WHAT'S NEW IN 2022?

Magnum Warehousing has had quite the year so far! We've stayed busy with both new and existing customers requesting as much space and general warehousing services as possible. We have rented space needed to accommodate these requests to aid our growth for the next two to three years!

As for the rest of 2022, the Warehouse team is eager to provide a modern solution to today's challenges in the global supply chain. We're very lucky to have a talented team who's willing to accept the challenge – the next six months will be exciting! The warehouse team hopes to continue creating positive relationships that reflect Magnum's values!

JAHN ACQUISITION

We're excited to announce that Magnum has acquired the assets of Jahn Transfer, Inc. based out of La Crosse, Wisconsin.

We will add Jahn Transfer, Inc. to our growing fleet and terminal locations under our LTL division.

President and CEO of Magnum Wayne Gadberry said, "As we merge our teams, we will continue to cultivate the excellent customer solutions and community commitment that Jahn has instilled over the years. This acquisition not only enhances our LTL service offering but opens the door for all divisions that make up Magnum."

WAREHOUSE PROUD

Warehouse business has been booming in 2022!

We have been working closely with our customers to help achieve a position that allows us to raise wages for our employees that they all deserve. Building a positive team culture has been exciting and this opportunity allows us all to continue growing both professionally and personally!

MagCorp has expanded into a second shift that consists of **24 new employees!** We're excited to provide the opportunity to train, mentor and coach our new team members in a way that embodies Magnum's mission and values. It has been special to witness the warehouse team and their commitment to continuous improvement through our accelerated growth. Thank you all!

OTR DRIVER LOUNGE UPDATE

We've updated our Coon Rapids Driver's Lounge with some fresh paint, a new DAKBoard TV, and some canvas prints! If you haven't seen it yet, make sure you stop by to check it out!

NEW WAREHOUSE LOCATIONS

WE'RE BUILDING!

We are excited to announce a new Warehouse location is planned to be built in Lakeville, Minnesota. Construction of the Lakeville warehouse is expected to be complete Summer 2023.

An additional warehouse location is currently being built in Fargo, making a total of six warehouses!
