## HUMAN RESOURCES

### WELCOME TO HR!

We are excited to announce that Recruiting has joined the Human Resources team! This will provide better opportunities for the team to be more efficient and effective at guiding new employees when they start at Magnum. Welcome to Human Resources, Recruiting team!

#### MEET THE TEAM!

I lead both HR and Recruiting teams. I'm looking forward to getting to know the new team members and working to make our processes and systems more efficient and effective going forward!

*Diane Jones, Director of Human Resources*

I manage the benefits department which includes benefits plan renewal, open enrollment, and more. I'm very excited that the benefits team will be growing this month!

*Tara Veit, Sr. Benefits Manager*

I handle day-to-day operations for benefits, including answering phone calls, texts, emails, onboarding new hire benefits and communicating monthly benefit education.

*Crissey Goossen, Benefits Assistant*

A big portion of my job is working with managers on employee relations and special projects.

*Ashley Napper, Sr. HR Business Partner*

My responsibilities involve managing daily operations, which include responding to phone calls and emails, and onboarding new employees.

*Jen Moran, HR Business Partner*

I help Jen onboard new employees and scan in old documents. I also help with little tasks around the department when they arise!

*Vanessa Reineke, HR Intern*

I recruit drivers for 14 of our LTL terminals. I've been with Magnum for nine years now.

*Luke Litterio, Recruiter*

In January, I joined the Recruiting team. I've met many wonderful people and hope to continue to bring great new faces to Magnum.

*Ginger Veland, Recruiter*

I've been with Magnum for two years. I recruit for Magnum LTL and also review DOT applications and onboarding documents.

*Colleen Rediske, Recruiter*

I recruit for non-driving positions at all Magnum locations.

*Ali Vicha, Recruiter*

I recently moved from Truckload to Recruiting! I bring on new and experienced OTR Drivers and help students get placed in DAP and NDSCS classes.

*Kayleigh Becker, Recruiter*

I meet with new hires at the Coon Rapids terminal, handle onboarding paperwork for all non-Fargo new hires, and complete employee verifications.
