

MAGNUM SAFETY CALENDAR

JULY

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
						1 Think safe, act safe, and be safe. It's up to you!
2 Be sure to slow down or come to a complete stop when exiting your vehicle.	3 <i>Don't block exits, doorways, or walkways with any pallets, trash containers or equipment.</i>	4 HAVE A SAFE AND HAPPY 4TH OF JULY! 	5 Pay attention to floors at all times for items that could cause a slip, trip or fall.	6 Use the proper tool for the right job – don't take shortcuts!	7 If you see something, say something. Security needs all of us!	8 Be your brother's keeper. Don't let others work unsafe!
9 Food safety is a part of all of our jobs. Be sure to do quality work!	10 <i>Standing pallets up can be very dangerous. Always remember to lay them flat!</i>	11 Help keep everyone safe! Report at risk or unsafe behavior.	12 <i>Proper stances on your equipment will eliminate the possibility of foot injuries!</i>	13 NEVER use a frayed or damaged electrical extension cords.	14 <i>Your safety is important to everyone you know.</i>	15 Stretching before work could prevent an injury – it's that simple!
16 NEVER walk on empty pallets or across equipment forks.	17 Safety is looking out for your coworkers as well as yourself!	18 Wear your PPE at all times! It's for your protection.	19 Security is safety too. Don't let strangers walk around unidentified!	20 Don't overreach! Avoid the strain by asking for help.	21 Always look in the direction of travel!	22 Remember to keep electrical panels clear by at least 3 feet.
23 Safe behaviors mean safe results!	24 Think safe, act safe, and work safe!	25 <i>Continue to report hazards – that's the only way to get them fixed!</i>	26 Avoid tailgating. Someone could get seriously injured.	27 <i>Wearing your seatbelt is good safety leadership!</i>	28 Safety is about attitude and caring for yourself and others.	29 Know where you are when you reach into a lower pick slot – don't stand up too soon!
30 Look out for pedestrians!	31 When you are safe, everyone wins!
