

BIG BLUE NEWS

TRUCKLOAD

WHAT'S NEW?

This year, Truckload has added 24/7 coverage! We are continuing to add to this coverage to provide more communication and support to our OTR drivers out on the road. Also, we have joined forces with the Logistics team on our Customer Specialist side to ensure we are providing the best quality customer service to our Truckload customers. As the rest of 2023 pans out, we look to strategically grow our fleet to around 300 trucks. With that increase, we will need to continue to grow our customer base and provide the high standard of service Magnum is known for.
