

BIG BLUE NEWS

LTL

NEW PARTNER CARRIERS

Magnum LTL now has three partner carriers across the United States! This expands our LTL network into the Northeast and the West, adding opportunity for more Magnum-customer freight to be moved throughout the country. We're excited to work with these carriers and look forward to what these partnerships will bring!

RAPID CITY PROGRESS

Our Rapid City terminal is underway and move-in is projected to be at the end of the month!

We're excited to start getting everything settled in! The new terminal will feature more doors than before, with 23 instead of 11. With a larger terminal, we will be able to send more freight through and bring more employees onboard. An open house is scheduled for this fall - we will follow up with details as they come along!

NEW WATERLOO TERMINAL

Ground has been broken on the building of a new Waterloo, IA terminal!

Our location has moved from W. Airline Hwy to Warp Drive, and will feature 23 doors. We're excited for the opportunity this expansion gives to our LTL network!
