

# BIG BLUE NEWS

## RISK MANAGEMENT

### WHAT'S NEW IN RISK?

Over the past 12 months, we have some new additions to the Risk Management team along with a new partnership that aligns with our continued Enterprise Risk Management (ERM) strategy! Idelic's Safety Suite platform uses Magnum's real-life driving data along with machine learning powered predictive analytics to reveal patterns in driver behavior and indicate potential risk. With this information, we can provide behavior-based coaching and more effective training to address specific risky behaviors in an effort to reduce Magnum's risk on the road.

#### RISK MANAGEMENT TEAM

**RISK** – Responsible for ERM, insurance, and business continuity.

Bryce Allickson – Director of Risk Management

**LOSS CONTROL** – Responsible for Work Comp and OSHA.

Ken Rheault – Loss Control Manager

Butch Davis – Loss Control Coordinator

#### RISK MISSION STATEMENT

*"To provide advice, support, training, and analysis to help Magnum establish risk controls and safety management processes that reflects our commitment to the health and well-being of the public and all employees."*

#### INFINIT-I MOBILE APP

The Infit-I mobile app for monthly safety trainings is available on both the Apple Store and Google Play Store!

Registration Code:  
**MAG316**

#### SAFETY CALENDAR

Each month, we team up with the Marketing department in creating a monthly safety calendar full of tips and tricks on safe workplace practices. Scan to read October's Safety Calendar here!

#### SNOW CLEAT REIMBURSEMENT

Last winter, Magnum had 26 slips, trips or falls from 11/2022 to 4/2023.

**Magnum will reimburse you for your cleat purchases!** We will reimburse up to \$20.00 per year with a receipt. Please make sure they will fit your winter shoes/boots before purchasing!
