SAFETY CALENDAR

JANUARY

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
	1 HAPPY NEW YEAR!	2 Always follow safety rules and policies - <i>they are for your protection!</i>	3 Security is safety. Report anything you see!	4 Remember to keep your forks low to the ground when traveling!	5 BE HEALTHY, BE SMART. Take care of the only body you have!	6 <i>Be prepared for winter weather!</i> Wear ice cleats – Magnum will reimburse!
7 If your equipment is malfunctioning, report it to a supervisor ASAP!	8 Do a proper pre-trip! Check load, securement, lights, tires, etc.	9 Be sure to slow down or come to a complete stop when exiting your vehicle!	10 Don't let bad habits get in the way - practice good safety behaviors!	11 If you see a hazard, report it ASAP!	12 <i>Avoid over reaching!</i>	13 The best days are when we all go home safe!
14 Be your brother's keeper... don't let others work unsafe!	15 <i>Be careful walking on slippery surfaces!</i>	16 When you are safe, everyone wins - family, friends, coworkers, and YOU!	17 Standing pallets up is very dangerous. Remember to always lay them flat!	18 Help keep everyone safe - <i>Report unsafe behavior!</i>	19 When taking an empty pallet out of a slot, be cautious of the pallet behind it!	20 ALWAYS WEAR YOUR SEATBELT!
21 Injuries are avoidable if you follow the safety fundamentals!	22 <i>Adjust your speed for weather and traffic conditions!</i>	23 Never walk on empty pallets or across equipment forks!	24 <i>Be sure to drink lots of water - always stay hydrated!</i>	25 Good housekeeping is just like good safety habits. <i>It's all for your protection!</i>	26 <i>Stretching before working could prevent an injury - it's that simple!</i>	27 Remember to keep electrical panels clear by at least three feet!
28 Pivot feet, bend your knees, and avoid twisting and turning!	29 <i>Report near misses immediately!</i>	30 Use the right tool for the job, that way no one gets hurt!	31 "Food Safety" is being aware of the product while it is in your possession.
