LAKEVILLE SHOP

The Lakeville shop is the newest addition to our Magnum service centers!

LIFT GATE REPLACEMENTS

Our Sioux City shop has taken on more liftgate work! They are working on refurbishing trailers – repairing liftgates and roll-up doors to new, while fixing any other issues they find while they are at the shop. They plan to do five trailers per quarter!

G.O.A.L. – MONTHLY CHARACTERISTIC OF A LEADER

COMPASSION

Compassion is one of the most powerful and important acts of leadership. It's more than simply showing empathy or even listening and seeking to understand. Compassion requires leaders to act on what they learn. After someone shares a concern or speaks up, they won't feel truly heard if their leader does not take meaningful action on the information.
