NATIONAL TRUCK DRIVER APPRECIATION WEEK

National Truck Driver Appreciation Week is coming up quickly! During the week of September 15-21, Magnum is hosting breakfasts, lunches and/or dinners for drivers at all terminals and locations. We are also a part of various different events throughout the community supporting truck drivers across the nation! Thank you to all truck drivers who truly make the difference and sacrifice so much to keep our world spinning! This week is about YOU – we appreciate everything you do, more than words could ever express!

G.O.A.L. – MONTHLY CHARACTERISTIC OF A LEADER

INTEGRITY

Integrity in leadership means having strong moral principles, standing by your words, and doing the right thing. It is a highly valued trait, since most employees look to their leader for cues on how to act. A leader that demonstrates the company values in their actions helps set standards and expectations.
