MAGNUM'S NEWSLETTER

January 2026

HAPPY 2026!

Happy 2026 from all of us at Magnum. We're excited to kick off a new year filled with growth, new opportunities, and continued appreciation for the people who make this company what it is. Thank you for everything you do, and here's to a great year ahead.

CLOTHING STORE

The Magnum clothing store has new items available. This store is where you can purchase Magnum apparel at any time. Magnum also recognizes milestone anniversaries by providing store credit at 1 year, 5 years, 10 years, and additional milestones. Credit is loaded during your anniversary month and must be used within 90 days.

SNOWMAN CONTEST

Assuming winter cooperates, we're launching a Winter snowman contest! If you haven't gotten snow yet and won't, get creative!

How it works:

- Build your best snowman anytime during the month of January
- Take a photo of your creation
- Submit it to marketing@magnumlog.com

Winners will score Rambow bucks and bragging rights, of course.

SXC LTL

We're excited to share that our Sioux City, IA LTL terminal has officially moved to a new location. We began operating from the new site in early December 2025 and will celebrate with a Grand Opening on January 14.

FACES OF MAGNUM

Our blog is live on the Magnum website and we love using it to feature the people who make this company what it is. Drivers, office staff, and teams all have stories worth sharing. If you're interested in being featured in a blog post, email the marketing team and let us know.
