

# **ONE** *MAGNUM* MONTHLY

April 2026

*One Team. One mission. OneMagnum.*

## What is OneMagnum?

You may have noticed our newsletter looks a little different this month. As Magnum continues to grow, so do the teams and divisions that keep us moving forward. We operate across five divisions, each playing an important role in our success.

OneMagnum is a company-wide initiative designed to bring us closer together. As we grow, it is more important than ever to stay connected, aligned, and focused on what we share.

At its core, OneMagnum reinforces a simple idea. No matter your role or division, we are one team working toward the same goal.

This initiative is about breaking down barriers between divisions, roles, and locations. It is about creating a culture where everyone feels valued and connected.

Five divisions. One drive. OneMagnum.
