Celebrating Our Professional Drivers

NTDAW

National Truck Driver Appreciation Week (NTDAW) is an annual nationwide celebration recognizing professional truck drivers for the essential role they play in keeping businesses, communities, and the U.S. economy moving.

The American Trucking Associations launched the program in 1988, and companies across the industry typically celebrate with driver recognition events, meals, giveaways, contests, social media campaigns, and other thank-you efforts. This year, National Truck Driver Appreciation Week is September 13–19, 2026.

Annual Golf Tournament

Our Annual Driver Appreciation Golf Tournament is right around the corner on September 18th!

While we're looking forward to a fun day on the course, this tournament is about much more than golf. It helps raise funds for NTDAW and our Adopt-a-School partner, Madison Elementary in North Fargo.

A special thank you to our Platinum Sponsors featured below for their generous support of this year's tournament! We're incredibly grateful to all of our sponsors who help make this event possible.

If you see one of our sponsors, please take a moment to thank them for their support. We can't wait to see everyone on the course!
